Dear Mike,

**PROPOSED PRIMARY FREE SCHOOL AT TATENHILL,
STAFFORDSHIRE**

Thank you for discussing with me today your proposals for primary free school provision for the new housing development adjacent to the village of Tatenhill.

It was encouraging to hear that your Trust will look to incorporate new primary provision in a collaborative sense with your existing local primary schools. It was also good to hear that you are developing your proposals with the expertise and local insights of serving primary school headteachers within the Trust.

As I expressed to you in May 2016 regarding secondary provision, I am committed to the belief that, should a planning application be fully approved for a primary free school in Tatenhill, its sponsor should have its roots grounded firmly within the local community.

As I expressed to you during our discussion, John Taylor's reputation is a particularly strong one within my constituency and I would therefore support your Trust's proposals to lead new primary provision in Tatenhill
