Dear Mr Donoghue,

Following our letter of support for your bid for the management of the Branston Road School, Tatenhill, Burton-on-Trent. Tatenhill & Rangemore Parish Council would like to extend their support to John Taylor High School in your bid to manage the new primary school at Branston Locks / Lawns Farm, Burton-on-Trent. As a feeder school to the Branston Road School, it is logical that it is managed by the same Academy Trust, and especially one that has a track record of excellent teaching. The parish council appreciate the proactive approach you have taken with your community partners and feel that you understand the needs of the local community and will deliver an exceptional learning platform for the pupils.

We wish you every success in your application.

Yours sincerely,

Liz Martin  
Clerk to Tatenhill & Rangemore Parish Council
