

Accessibility Plan Statement

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Each of the schools within John Taylor MAT aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

Each school's plan will be made available online on the school website, and paper copies will be available upon request.

All of the schools within John Taylor MAT are also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

Each school with John Taylor MAT supports any available partnerships to develop and implement the plan.

John Taylor MAT's Compliments, Complaints and Comments Policy covers each of the schools within the Trust's accessibility plan. This policy sets out the process for raising any concerns you may have relating to accessibility within any of the JTMAT schools,
