As the legal entity with responsibility for all its academies, the Board and its directors reserve the right to undertake any remedial action required.

Local Governing Bodies shall discharge these responsibilities primarily, but not exclusively, through both collegiate activity in formal and informal committee and individual engagement (see below):

Managing and Organisation Committee

Mission:

To improve, monitor and evaluate the efficiency and effectiveness of systems, procedures and structures of the Academy and the deployment of resources required to ensure them.

In practice, this will involve improving, monitoring and evaluating:

- all matters relating to budgeting, finance, academy premises and grounds, security and health and safety
- the budget allocated to the academy to achieve value for money
- the proposed annual budget prior to recommendation to MAT Board.
- spending against the academy budget, upon receipt of a report from the Head of School
- that the principles of 'best value' are adhered to, as are the Seven Principles of Public Life (selflessness, integrity, objectivity, accountability, openness, honesty and leadership)
- the annual maintenance programme and its implementation
- academy compliance with health and safety standards
- the staffing structure and costings for proposed staffing levels
- safe recruitment procedures for staff appointment
- lettings and charging arrangements within the academy
- the academy's risk management strategy and strategic risk register
- progress towards the achievement of attendance targets
- the impact of the school's punctuality, attendance and behaviour policies
- the quality of the school's provision for personal development and well-being
- the effectiveness of care, guidance and support for learners
- the school's guidance and inclusion systems
- the extent to which students feel safe
- the effectiveness with which the school promotes equal opportunity and tackles discrimination

Individual Engagement:

This can take many and varied forms. Typically, governors will serve on interview panels, support and challenge specific areas of school provision commensurate with the Academy's structure and context (e.g. a subject area or delivery phase) through the role of 'link' governor, attend school events, liaise with their stakeholder constituency (e.g. parents, staff), represent the Academy, and John Taylor MAT positively for the furtherance of its reputation to all with whom they come into contact.

In addition, each Local Governing Body shall have identified governors for the following specific areas:

- Health and Safety
- Special Educational Needs and Disabilities
- Safeguarding
- The Promotion of British Values
