

Have you considered becoming a school governor?

Did you know that school governance is the largest voluntary activity in the country?

Would you like to help shape the future for the next generation?

Are you committed to contributing to your local community?

If you have answered YES to any of the above please contact Sarah Boyce, Trust Development Officer via s.boyce@jtmat.co.uk to arrange an informal chat.

We are keen to recruit governors across our Trust with skills and expertise in Health and Safety, Finance and HR, however we'd welcome hearing from anyone who is interested in school governance. Full training and support will be provided.
